

BODY

WEEK

BODY WEEK is a programme which based on individual consultations with a dietician, body composition analysis and your preference will determine an optimum, metabolism -boosting and detox diet based on which Chef Hotel Nadmorski**** will prepare your meals. Experienced trainers, physiotherapists and cosmetologists will choose a range of massages, physiotherapy and cosmetic treatments and safe personal trainings adjusted to your needs.

We provide a result summary on **the 7th day**. You will leave feeling positive difference, enriched in knowledge to allow you not only maintain, but also improve effects achieved under the supervision of specialists.

You can **attend the programme individually or paired with another person**. We also provide an option for a joint stay at the hotel but individual participation in the Programme. You can also choose from the following meal options: dedicated diet menu or dinner a la carte menu served at the hotel Restaurant.

If you would like to spend time even more actively, we offer free rental of bikes, Nordic walking poles or exercise at our professionally equipped gym. After physical exercise, you can use steam sauna, dry sauna or jacuzzi **free of charge**.

7 days is just enough time to feel positive difference and start true body transition resulting in weight loss, slim silhouette, improvement of general fitness as well as cleansed and better functioning body.

Specialists from **GENESIS INSTITUTE** will take care of you and your body during the stay at our Hotel. They will share knowledge to help you continue with your transition when you get back home.

Within 7 days, we offer up to 25 individual visits at Genesis Institute, with prior consultations on:

- treatments and cosmetic rituals which will leave you relaxed while your skin regains firmness and a healthy glow
- physical, physiotherapeutic or rehabilitation treatments to alleviate muscle tension and potential pain or discomfort felt during physical activity
- personal training sessions to slim your body, increase your fitness and improve your shape
