

BACK TO BALANCE WEEKEND

A weekend package of relaxation and regeneration, to rise your energy levels and inspire changes. You will have a chance to get assessment and advice from the specialists at our Genesis Institute. Our unique location fosters various forms of relaxation and regeneration.

You will gain knowledge during consultations with our specialists: dietitians, physiotherapists, cosmetologists.

Treatments will aid relaxation and help you get rid of stress.

Our delicious and healthy diet menu – nutritious breakfast and well-balanced dinners will give you loads of energy, while the dietitian's advice will help to build healthy eating habits.

The specialists from Genesis Institute will choose the best treatments, adapted to your abilities and preferences, to improve your well-being and benefit your body.

Fine tune your inner balance and take a full advantage of the charms of the sea-side location.
