DOUBLE POWER WEEKEND

An active weekend for two will energise you and inspire for lifestyle changes.

Immerse in the unique picturesque location, perfect for all kinds of activities – a biking trip around Tricity, Nordic walking, a walk along the seaside and jogging across the Tricity Landscape Park. Reach for the latest knowledge while consulting our specialists – a dietician, a physiotherapist, a personal trainer and a cosmetologist.

Training supervised by a physio-coach will help you take on an activity together, provide practical knowledge about physical exercise and help get rid of stress.

Thanks to delicious, healthy diet menu – nutritious breakfasts and well-balanced dinners, you will receive plenty of energy. Consultations with the dietician will help you introduce healthy eating habits. Come to Hotel Nadmorski and change your lifestyle with a double power.
