# ROMANTIC MOMENTS FOR TWO

Find moments just for yourselves and relax in a romantic seaside setting.  
We invite you to a stay full of positive emotions and unforgettable moments.

## SEASIDE PROXIMITY

Common walks along the beach, the soothing sound of waves and beautiful seaside views as well as the proximity of the forests of the Landscape Park will bring you rest and relaxation. The quiet, charming area of the hotel and the close proximity of the sea will allow you to distance yourself from everyday life and provide a unique, romantic atmosphere, intensified by a beautiful sunrise.

## RELAXATION FOR TWO

Relaxing massages and sessions at Maris Beauty Institute in the Genesis Institute will put you in a romantic mood.

The beautiful area of the hotel with the picturesque Seaside Boulevard and the wonderful areas of the nature reserve with cliffs and moraine hills will encourage you to do joint activities. If you feel like discovering the extraordinary surroundings of the hotel, we will lend you bicycles or Nordic Walking poles free of charge.

## ENERGY FOR THE WHOLE DAY

You will experience a pleasant experience with rich breakfasts prepared from regional products, our own products and organic products, as well as a vitamin bomb in the form of freshly squeezed juices or freshly roasted Arabica coffee. Romantic dinners with a glass of wine will put you in a pleasant mood.
